

# SUMITOMO CHEMICAL ASIA PTE LTD

## S-SBR MANAGEMENT POLICY

HEALTH, SAFETY

ENVIRONMENT

QUALITY

Sumitomo Chemical Asia, manufactures of Solution Styrene Butadiene Rubber (S-SBR) with the mission to contribute to the development of society through New Value Creation and Innovation.

While fulfilling this mission, our goal is to protect the Occupational **Health, Safety** and the **Environment** of our employees, contractors, customers and the communities in which we operate.

We realize this through integrating the **Health, Safety, Environment, Quality (HSEQ)** and **Process safety** management best practices into all aspects of our business activities and upholding the Policy on Sumitomo Chemical Responsible Care Activities to sustainable development in conserving our resources.

We will:

**S**ustain a high level of **HSEQ** performance through:

- Manage HSE risks in all aspects to achieve safe and stable operation under safe working environment with zero accident and zero injury.
- Undertake all practical environmental protection measures to achieve sustainable development.
- Fostering a quality culture with the objective of manufacturing and providing products and services with zero defects that fulfil our customer needs.
- Continual improvement on the effectiveness of our Integrated Management System.

**C**omply with all applicable requirements from relevant interested parties and compliance obligations.

**A**ccomplish excellence for our customers through high degree of professionalism provided by our superior products and services, our team members with high integrity and a people-oriented culture.

**Imamura Eiji**  
General Manager.
